Mobile libraries cost £590,000 per year which equates to £7.70 per user. There are 12 registered users in Clopton & 9 of these used the library in August. The proposal is to cut the number of mobile vans from 6 to 3 & to call every 4 weeks. They will not visit towns that have static libraries.

Under SCDC, there is consultation on the Core Strategy. The Government is proposing that the presumption on planning applications should be positive in future. There is a meeting on this on 28<sup>th</sup>. September at the Riverside.

Cllr. Pennington arrives.

There are a lot of objections to the proposal from preservation groups and a lot of uncertainty. There is no mention of the District or Urban Councils role in the White Paper.

There is a site visit to the Snipe Vineyards by the Planning Committee on September 26<sup>th</sup>. The camping site has now been closed for the winter.

Police report. The Clerk read out a report from PC Dave Burrell – included in the Minutes folder.

Mrs. Dawson explained that the Village Hall Committee is planning to refurbish the toilets, to replace the windows at the back of the hall and to create a patio area. They are applying for grants & need a letter of support from the Parish Council and an indication of the level of financial support.
