

Annual Reports for Clopton APM - May 2025 to May 2026

Clopton eNews: cloptonnews@gmail.com

The CloptonNews email was started as a service to circulate Parish council minutes; keep locals in touch, and provide local information. This continues.

The Parish meeting agenda and minutes are posted to the website pages and, in the past, copies were sent to the CloptonNews for forwarding to local residents. This has tailed off in recent months and, unfortunately, I don't always visit the website in time to advise residents of committee meeting dates, agenda and minutes.

Although a lot of information is now posted to the Clopton Facebook page, there are still local people who do not use Facebook and like to be kept in touch with events.

The circulation list currently numbers 111.

Clopton Website: <https://cloptonparishcouncil.gov.uk/>

The website address changed this year to take account of legal changes.

The website is maintained by the parish clerk (the parish council pages), the village hall booking clerk (village hall bookings) and myself.

This year the Parish Council agreed to allow the Clopton Heritage group to store the heritage records on the website and I have been adding these records gradually over the past few months. I hope to have a more professional look to the pages by the time I've finished but, at the moment, am just trying to get the bulk of information loaded to the site.

The website is a sub-site of OneSuffolk and a maintenance charge is payable to the parent site. This remains at £60.00 p.a. (10 May 2026) and is paid by Clopton parish council.

Clopton Hobby Group –

Held at the village hall every third Wednesday of the month, this group has been running since 2010. Hosted each month by a different volunteer, it is open to everyone in Clopton and surrounding area. There is no membership and the event is free of charge.
